REQUIREMENTS FOR ADMITTANCE TO THE EXAMINATION

All applicants must meet the education and/or experience requirements as stated on this exam bulletin **by the cut-off date** in order to be accepted into the examination. Part-time or full-time jobs, regardless of whether paid or volunteer positions, and inside or outside California state service will count toward experience.

A completed standard state application (STD. 678) is required and must include: “to” and “from” dates (month/day/year), time base, and if applicable, civil service classification titles. It is the applicant’s responsibility to provide the specific information under duties performed that illustrates the qualifying experience needed to meet the minimum qualifications.

Qualifying experience may be combined on a proportionate basis if the requirements stated below include more than one pattern and are distinguished as “Either” I, “or” II, etc. For example, applicants who possess qualifying experience amounting to 50% of the required time of Pattern I, and additional experience amounting to 50% of the required time of Pattern II, may be admitted to an examination as meeting 100% of the overall experience requirement.

MINIMUM QUALIFICATIONS

Possession of a valid Commercial Class C driver license with a Passenger Transport Vehicle special endorsement or equivalent. (Applicants who do not possess the license will be admitted to the examination but must secure and provide evidence of their license prior to appointment.); **and**

Equivalent to completion of the twelfth grade; **and**

Either I

One year of experience in the California state service performing duties of a class with the level of responsibility equivalent to that of a Conservationist II; **or**

II

Two years of progressively responsible experience in program operations and management, including one year at an administrative level performing a variety of management-related activities including supervision of staff, program planning, management and evaluation, and personnel management. This experience shall have included the preparation of written reports and the presentation of written recommendations to management. Experience in the California state service applied toward this requirement must include one year performing duties of a class with a level of responsibility no less than that of Conservationist II; **or**

III

Three years of experience in California state service performing duties of a class with the level of responsibility equivalent to that of a Conservationist I, Range B; **or**

IV

Five years of experience in organizing, instructing, supervising and evaluating six or more people in an organization requiring specific accomplishments or completion of specific tasks. Such experience must include direct responsibility for the discipline, direction, and welfare of the persons involved, two years of which involve direct supervision of staff. Experience in the California state service applied toward this requirement must include one year performing the duties of a class with a level of responsibility no less than that of a Conservationist I, Range B. Qualifying experience can be gained through work in the following types of business/activities: labor crew in the private or public sector; organized outdoor adventure programs; service-oriented organizations (fast foods chains, park and recreation facilities, summer camps, group homes, and daycare facilities); seasonal labor; or educational programs. College education may be substituted for up to 12 months of non-supervisory qualifying experience with 30 semester or 45 quarter units from an accredited college or university being equivalent to 12 months of experience; substitution of college education does not apply toward the supervision of staff requirement.

POSITION DESCRIPTION

This is the full supervisory level in the series. Under direction, incumbents supervise conservationist staff performing projects, educational, and mission critical tasks and are responsible for obtaining project agreements; and other related work.

If you meet the requirements stated on this examination bulletin, you may take this examination, which is competitive. Possession of the entrance requirements does not assure a place on the eligible list. Your performance in the examination described in this bulletin will be rated against a predetermined job-related rating scale, and all applicants who pass the exam will be ranked on the eligible list according to their score.

If a candidate's notice of oral interview or performance test fails to reach him/her prior to the day of the interview due to a verified postal error, he/she will be rescheduled upon request. It is the candidate's responsibility to contact the California Conservation Corps Exam Unit in Sacramento at (916) 341-3140 three weeks after the cut-off/final filing date if he/she has not received a progress notice.

The California Conservation Corps reserves the right to revise the examination plan to better meet the needs of the service, if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service laws and rules and all applicants will be notified.

Drug Testing: Applicants who are offered a Conservationist position will be required to submit to a drug test. In accordance with California Code of Regulations section § 213.5, applicants who fail the drug test during the pre-employment process will have the job offer rescinded, his/her name withheld from the eligibility list and he/she will have to wait one year to re-take the exam.

Veterans' Preference: Effective January 1, 2014 – Assembly Bill 372, signed into law by Governor Brown on August 12, 2013, changes the way the Veterans' Preference process is administered by the State of California. Veterans' Preference will now be awarded as follows:

1. Any veteran, widow or widower of a veteran, or spouse of a 100 percent disabled veteran, who achieves a passing score in an entrance examination, shall be ranked in the top rank of the resulting eligibility list. Any veteran who has been dishonorably discharged or released is not eligible for veteran's preference.

2. An entrance examination is defined, under the law, as *any open* competitive examination.
3. Veterans' Preference is not granted once a person achieves permanent civil service status.

Career Credits: In open, non-promotional examinations, career credits are granted to: 1) state employees with permanent civil service status; 2) full-time employees of the State who are exempt from State civil service pursuant to the provisions of Section 4 of Article VII of the California Constitution, and who meet all qualification requirements specified by the Board and have 12 consecutive months of service in an exempt position, and 3) individuals who have served one full year in, or are graduates of the California Conservation Corps (eligibility shall expire 24 months after graduation from the California Conservation Corps or five years after graduation if the competitor has participated in a CCC scholarship program). Three points are added to the final test score of those candidates who meet the above criteria, and who are successful in the examination.

General Qualifications: Applicants must possess essential personal qualifications including integrity, initiative, dependability, good judgement, the ability to work cooperatively with others, and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required. In open examinations, investigation may be made of employment records and personal history and fingerprinting may be required.

Eligible Lists: Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) sub-divisional promotional, 2) departmental promotional, 3) multi-departmental promotional, 4) service-wide promotional, 5) departmental open, 6) open. When there are two lists of the same kind, the older must be used first. Eligible lists will expire in one to four years unless otherwise stated on the bulletin.

High School Equivalence: Equivalence to completion of the 12th grade may be demonstrated in any one of the following ways: 1) passing the General Education Development (GED) Test; 2) completion of 12 semester units of college-level work; 3) certification from the State Department of Education, a local school board, or high school authorities that the competitor is considered to have education equivalent to graduation from high school; or 4) for clerical and accounting classes, substitution of business college work in place of high school on a year-for-year basis.
