Project Title:

Grant Agreement #:

# Photos Submitted:

Reporting Period:

Amount Spent to Date:

Grantee's Project Manager:

% of Project Completed:

Enter the work accomplishments completed for this project to date as they relate to your approved project deliverables. Be as specific as possible (add more rows on a separate page as necessary):

Expected Project Outcomes & Deliverables	Scope of Work		Completed to Date	
	Quantity	UOM	Quantity	UOM
Project Activity/Deliverable				

Please provide a detailed description of the project's status and list all project activities undertaken during the quarter. This includes construction or financial challenges or changes that arise during the reporting period. If the project has not started or incurred any expenses, please include a detailed narrative as to why your project is delayed, the current status, and an estimated start date (use additional pages as necessary):
